FOR IMMEDIATE RELEASE

Bridgeport, NE (September 14, 2020) – Morrill County Community Hospital has updated its safety guidelines in order to keep our community safe and to reduce the potential spread of COVID-19 throughout the state.

Covid-19 Testing

1. By appointment only. Please call 308-262-1616 to schedule.
2. Covid-19 testing is done via drive thru.

Blood Draw

1. By appointment only. Please call 308-262-1616 to schedule.
2. Patients must check-in at the hospital front office at their appointment time.
3. Patients will be screened for Covid-19 related symptoms and will have their temperature taken when arriving for an appointment.
4. Patients will be required to wear a mask.

Radiology and Other Outpatient Visits

1. Patients may check-in at the Specialty Clinic.

Other Reminders

1. If you are experiencing Covid-19 related symptoms, please call the Hospital or Clinic before your appointment.
2. If you are driven to your appointment, we ask that your driver remain in the car.
3. We clean and sanitize work spaces consistently throughout the day and between patient visits to ensure your safety.

For updates on the COVID-19 and what you can do to protect yourself, your family and your neighbors, please routinely visit the Centers for Disease Control and Prevention (CDC) website at www.cdc.gov. Please continue to watch our Facebook page and our website for updates at www.morrillcountyhospital.com.
